## **FUNDED HOURS**

Stamford Nursery and Preschool delivers an exceptional early years provision offering, enriched opportunities for learning and development for all children attending. Set in the beautiful grounds of Stamford Junior School, including the swimming pool, sport facilities, woodland garden and outdoor learning provision.

We provide the following core Government funded hours at no cost for eligible families:

- 15 hours - 3 year old universal Early Years Entitlement
- 15 hours - 2 year old, Working Family Funding\*

Children become eligible for funding the term after their 2<sup>nd</sup> or 3<sup>rd</sup> birthday.

\*We are unable to claim 2 year old funding on your behalf. Parents should note that even if your child is eligible for 2 year old funded sessions, you are responsible for renewing your eligibility code through [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk). Codes should be claimed for, the term before they are due to start.

For example, Working Family Funding that is valid from January, must be claimed before 31 December.

Should we not receive your code by the published dates, you will be charged full fees for booked sessions for the entire term.

**Funded sessions can be taken over any three morning sessions, 0800-1300, for 38 weeks for a full time place and for 34 weeks for a term time only place, following the Junior school term dates . All sessions booked outside of these times are charged at the rates listed above.**

The government funding rate does NOT cover the costs of meals, consumables, additional hours and our enhanced provision.

The **Stamford Enhanced Provision** voluntary charge of £12.50 is payable for all sessions taken as funded hours. If parents do not wish to pay the Stamford Enhanced Provision, then we are unable to deliver the funded hours and our usual rates apply.

## Additional Charges

### 1. **Stamford Enhanced Provision**

- Applicable to sessions taken as funded hours (0800-1300)
- £12.50 per session
