We provide the following core Government funded hours at no cost for eligible families:

Children become eligible for funding the term after their 2nd or 3rd birthday.

We are unable to claim 2 year old funding on your behalf. Parents should note that even if your child is eligible for 2 year old funded sessions, you are responsible for renewing your eligibility code through www.childcarechoices.gov.uk. Should we not receive your code by the published dates, you will be charged full fees for booked sessions for the entire term.

Funded sessions can be taken as 3 morning sessions, 0800-1300, for 38 weeks per year. All sessions booked outside of these times are charged at the rates listed above.

The government funding rate does NOT cover our costs and excludes the following (list not exhaustive):

- Meals and snacks
- Specialist staff (eg Music, Spanish, Forest School)
- Access to extensive SJS grounds and facilities
- Maintenance of our unique, purpose built environment
- Administration costs
