"VOTED BEST PLACE TO LIVE IN BRITAIN"~THE SUNDAY TIMES

There is something special about arriving in Stamford.

Honey-coloured stone buildings, green open spaces and centuries of history give our campus its distinctive character, while the thriving town beyond puts shops, cafés, parks and historic streets within walking distance.

Conveniently connected by road and rail, Stamford sits at the mid-point between London and York. It's a place that offers the feeling of escape without being difficult to reach, making it an ideal base for groups from across the UK.
